# FREESTYLE MOSAIC

## Freestyle Mosaic: Item No. 20100

One of the popular mosaic methods used by mosaic artists and crafters alike is using broken ceramics. This method involves using special tile nippers and sharp ceramic edges. Using Stone by Stone Freestyle mosaic makes this method much easier and safer than ever. The stones can be broken by hand when using large pieces and by simple tile nippers with the smaller pieces. The mosaic is totally safe and has no sharp edges once broken.

The Freestyle mosaic is produced in a large variety of colors. Once the mosaic artist tries the Freestyle mosaic, he knows that this is the product he has been searching for.

## The Freestyle Mosaic is packed in:

- 8x8cm tiles, 1kg, assorted colors
  - Also available in single colors
- The colors of the Freestyle series are similar to the Archaeological series.

# ADCP & PAPIER MACHE

MODELING  
COMPOUND

## ADCP & Papier Mache: Item No. 5116

The creative possibilities are limitless with SBS Modeling Compound. Design anything from jewelry and small ornaments to large papier mache projects. Kneading the powder with water transforms it into smooth clay while adding a large quantity of tissue paper transforms it to an excellent papier mache paste. The mixed material will dry in the air without the need of oven or kiln.

Unlike other polymer clays, ADCP can be stored for weeks after opening the package. Due to its ease of use and incredible results, ADCP is quickly becoming a favorite of teachers, students and crafters alike.

ADCP is packed in:  
1.5kg container

# SCULPTURE BLOCK & CARVING STONE

The Sculpture Block and the Carving Stone are a safe, non-toxic sculpting material developed especially for beginning sculptors. The Sculpture Blocks and the Carving Stone realistically simulate the weight and feel of stone, but can be carved with safe, simple tools so that even younger students can practice the basic techniques of relief carving. A hammer and straight-slot screwdrivers can be used to chisel out the general shape of the image, and then the image can be refined with a butter knife or other dull tool.

## The Sculpture Block is available in:

Small size measures 5x7.5x5cm.

Large size measures 10x7.5x5cm.

The Carving Stone dimensions are 15x15x1.5cm.

The Puzzle Picture Frames are packed in:  
12 frames in a shrink wrap.

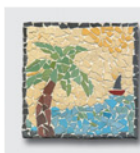

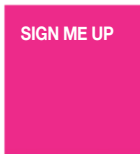

The creative possibilities with Stone by Stone materials are limitless. While some teachers and craft instructors prefer to use the materials with their own ideas, other will prefer to use a complete kit that includes all materials and accessories needed for the project. In order to fill both niches, our creative team developed "The 12 Pack Creative Kits" The leading idea when developing these kits is "Unique products. Brilliant results"

**PRICE EFFECTIVE PRODUCT**

In order not to add materials that already exist at the school, the kits contain only the basic materials needed for the project. Additional accessories such as paints, brushes and glue can be added upon request. The kits are packaged for 12 kids in an easy to carry box.

**A WONDERFUL ACTIVITY FOR**
