Call for IAJS Grads 2nd Methodological Workshop

IAJS Grads, the research students' forum of the Israeli Association for Japanese Studies invites graduate students (MA and PhD) in Japan studies, to present their work at IAJS Grads 2nd methodological workshop. The workshop will be held on Sunday **23/06/13** at **Haifa University**.

This workshop will focus on improving the presenters' performance at international conferences and will be held in English.

Our guest speaker is Professor Christopher Pokarier from Waseda University, whom will share [his vast experience](#) with the students on how to give an academic lecture to international audience.

Presentation in this workshop provides an opportunity for young researchers to get feedback about their work and how they present it. The intimate setting at the workshop ensures that feedback and discussions are held at a pleasant and constructive atmosphere.

We welcome proposals for presentations that should include title, abstract up to 500 words in English, institutional affiliation and contact details. Please email us at iajapanstudies@gmail.com. The proposals must be submitted by May 15.

Looking forward to seeing you,
Team IAJS Grads
